# **Alaska Alternative Consolidation Loan Application and Master Promissory Note**

Loans are made and serviced in accordance with applicable Alaska statutes, regulations, and ACPE procedures.

This Application and Promissory Note consists of multiple pages. By signing this Note you agree you have read, understood, and will abide by all terms and conditions set forth herein.

#### **APPLICANT ELIGIBILITY:**

Generally, in order to be considered eligible for the Alternative Consolidation Loan an applicant must:

- Be a United States citizen or permanent resident alien to the United States as a lawful permanent resident;
- Have two or more alternative loans and a combined outstanding balance of at least \$3500;
- Not be more than 60 days delinquent in payment on any loan held by ACPE:
- Not have any ACPE loan that is serviced by a collection agency;
- Include Alaska Student Loans with outstanding loan balances made to the individual borrower; and
- Have a credit history that demonstrates good credit or have made the 18 most recent payments on eligible loans in full and on time.

#### APPLICATION PROCESSING

Loans will be considered and awarded in the order in which completed application are received by ACPE.

#### **CONSUMER ALERT:**

Consider very carefully if consolidation is the right choice for you:

Consolidating existing loans and entering in to a new loan contract means that the terms and conditions of the loans being consolidated are no longer applicable. The new consolidated loan promissory note is the sole applicable contract. Please review the terms and conditions of your existing loans and of the consolidation loan carefully. Only you can decide whether consolidation is to your benefit. The consolidation loan terms do not provide any forgiveness or interest-free deferment periods.

The consolidation loan promissory note also authorizes ACPE to use its legal collection authority in the event of a serious delinquency or default on this loan. This includes the administrative authority to seize the Alaska Permanent Fund Dividend, deny renewal of Alaska occupational or professional licensed, garnish wages, and issue a lien against real property.

#### **INTEREST**

The interest rate and Annual Percentage Rate (APR) for my consolidation loan is 7.3%. Interest accrues upon the unpaid principal balance of my consolidation from the date of origination until the loan is paid in full. Interest also accrues during any periods of deferment and forbearance. ACPE will add any unpaid interest that accrues during deferment or forbearance periods to the unpaid principal balance of this loan. I understand that my payments will be applied first to fees and unpaid interest prior to my principal balance being reduced. Subject to the terms and conditions set by the Alaska Student Loan Corporation, borrowers may be eligible for interest benefits, while in repayment, by participating in approved ACPE automated payment methods.

#### CREDIT ASSESSMENT

ACPE will perform a credit history review on each applicant. To be eligible for consolidation, you must have a FICO credit report score of 680 or higher. If you do not meet the credit requirements, you may request that ACPE perform an account review to determine if you qualify for an exception to the 680 FICO score requirement.

#### **CHANGES REQUIRING NOTIFICATION**

You must report to ACPE any change that affects the conditions of a loan or its repayment schedule, including any:

- Change of your name, address, or telephone number;
- Change of your employer or employment address or telephone number.
- Inability to make payments as scheduled.

You must notify ACPE within 30 days of the change. If you do not comply with these requirements, ACPE may declare your loan in default, accelerate your loan balance and demand payment in full.

#### **DEFERMENT OF PAYMENTS**

You may apply to receive a deferment of payments for a maximum of 24 months over the life of the loan while you are enrolled in an approved education program, as defined in 20 AAC 15.922, on at least a half-time basis. Interest continues to accrue during deferment periods.

#### LOAN FORBEARANCE

You may be eligible for forbear (postpone) your loan payments for a total maximum of 12 months over the life of this loan in qualifying situations, if approved by ACPE. Interest continues to accrue during forbearance periods.

#### EXTENDING THE REPAYMENT PERIOD

Commission staff will extend the period of repayment for up to five years if the amount of your loan exceeds \$30,000. You must contact ACPE if you wish to pay your loan within a shorter period.

#### **IMPORTANT NOTICES**

## AMERICANS WITH DISABILITIES ACT COMPLIANCE

Otherwise qualified individuals shall not, on the basis of a disability, be discriminated against or excluded for participation in or the benefits of the services, programs, or activities of ACPE. Please notify ACPE if you need a disability accommodation.

## NOTICE OF INFORMATION SHARING WITH INSTITUTIONS AND PRIVACY ACT NOTICE

Information will be used to verify the identity of the applicant; to determine eligibility; to permit servicing of the loan; and to locate missing borrowers and collect on delinquent or defaulted loans. The information may be furnished during the life of the loan to holders of this and other loans administered by ACPE: to educational institutions where the borrower is

enrolled or is accepted for enrollment; to guarantee agencies and to government agencies or private parties who may be able to provide information necessary for the collection of the loan or to assist in the servicing or collection of the loan; or as needed to contractors and other third parties involved in servicing the loan. Disclosure of the applicant's social security number (SSN) is required as a condition for participation in the loan program. ACPE may require the SSN under Section 7(a)(2) of the Privacy Act of 1974 (Pub. L. 93-579). The SSN will be used to verify the identity of the applicant, and although not used as the account number, may be used to identify account holders throughout the life of the loan. ACPE may utilize your SSN to access state of Alaska or federal databases to determine your eligibility for administrative action or administrative garnishment in cases of default.

A copy of ACPE's Privacy Policy is available on our website.

Please specify if you would like to exclude any ASEL or ACPE special program loans you have from the consolidation process.

Consolidating existing loans and entering in to a new loan contract means that the terms and conditions of the loans being consolidated are no longer applicable (e.g. interest rates, forgiveness benefits, subsidized deferment periods). The consolidation loan terms do not provide any forgiveness or interest-free deferment periods. Carefully review the terms and conditions of your existing loans. Only you can decide whether consolidation is to your benefit.
